Background

The Tennessee Farm Bureau Federation annually conducts a Young Farmers & Ranchers Achievement Award competitive event. County Farm Bureaus are encouraged to promote this activity among young farmers. Selection of the winning Young Farmers & Ranchers competitor is based on his/her efforts in production agriculture and leadership achievement. Participation in this program with individual recognition and the resulting publicity will help build the organization. **The ideal candidate(s) for the Achievement Award is an individual or couple involved in production agriculture with a majority of their income subject to normal production risks.** It is recommended that the county Farm Bureaus provide, as part of the county recognition and award, an expense-paid trip to the TFBF Young Farmers Summer Conference in Columbia, TN on July 22-23, 2011. Appropriate recognition will be given to all the county competitors in attendance at the TFBF Young Farmers Summer Conference. The TFBF Young Farmers & Ranchers committee and the TFBF Special Programs Department will coordinate the program at the state level.
